MEMBERSHIP RENEWAL GUIDE

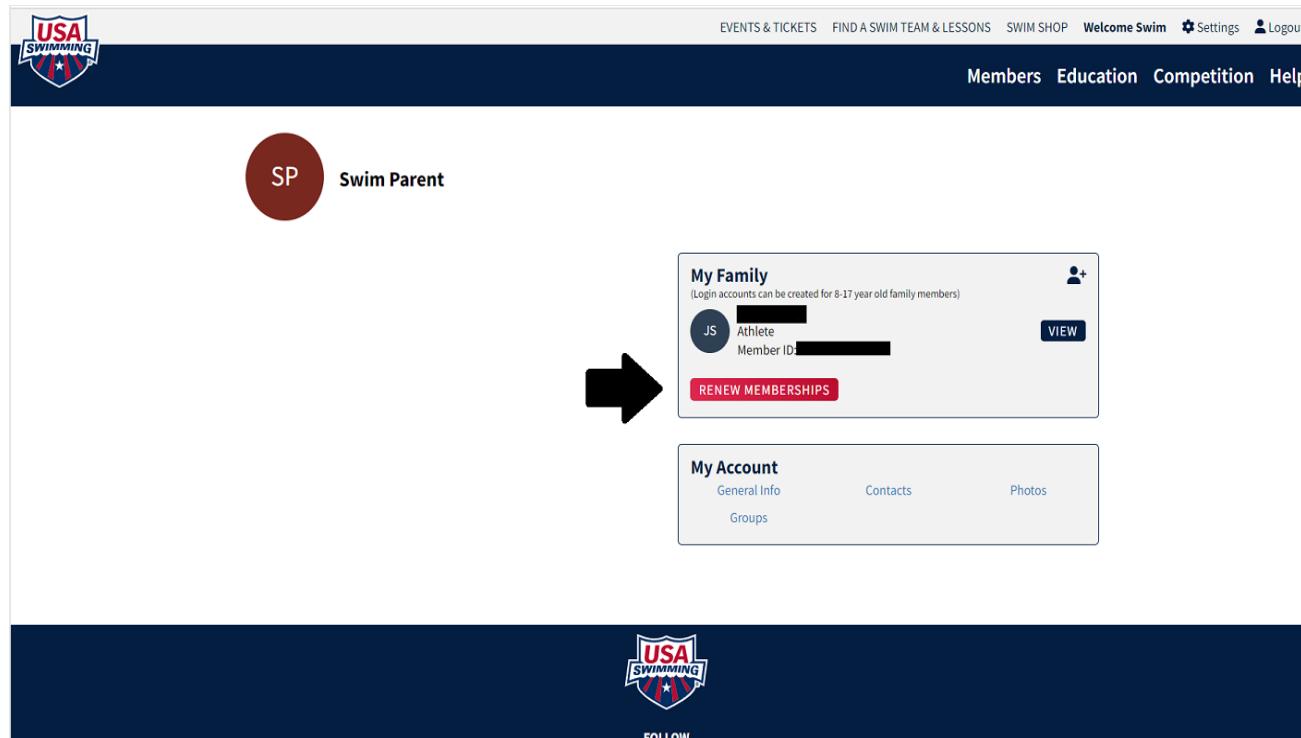

You should use this step-by-step guide to navigate the process of renewing your USA Swimming membership. Please keep in mind:

- You can renew your USA Swimming membership starting after September 1 of the current year. This is a one-time fee that is not pro-rated. Please reach out to your club if you see No Offerings to make certain you are registering for the correct season.
- **You can renew on mobile, but desktop is the recommended platform.** Once you have completed and paid for your membership, you will receive a confirmation email and can view an itemized receipt in your USA Swimming account.
- **This guide covers renewals only.** New members will register through the Online Member Registration (OMR) process using their club's unique registration link and create a USA Swimming account.
- Expired seasonal members will renew their memberships with the RED RENEWAL button to register and do not need to create a new USA Swimming account.

RENEWAL GUIDE

STEP 1: Log into your account at hub.usaswimming.org

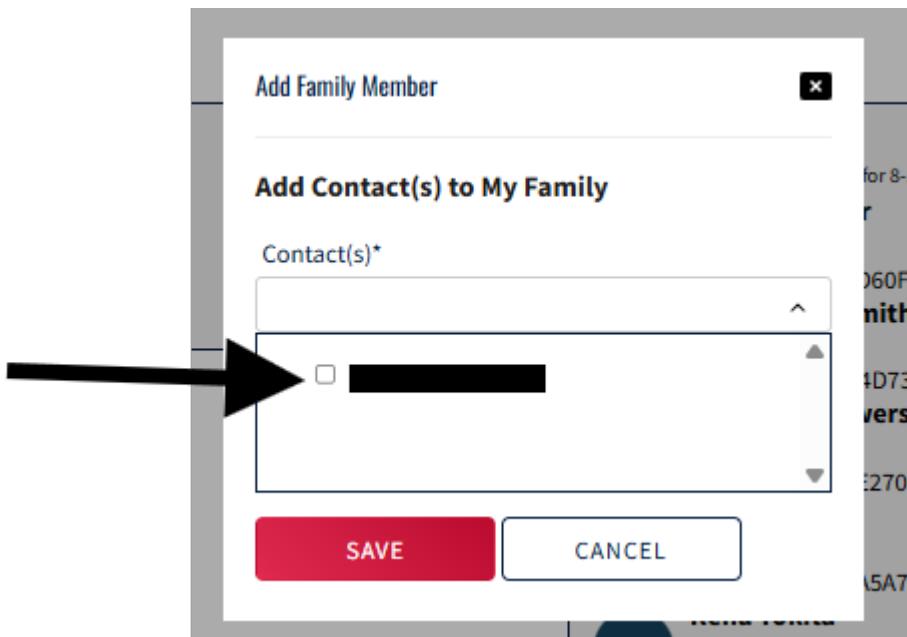

STEP 2: If you or any members connected to your account are eligible for one-button renewals, you will see a red "Renew Memberships" button at the bottom of the "My Family" section of your Member Dashboard.

The screenshot shows the USA Swimming Member Dashboard. At the top, there is a dark header with the USA Swimming logo, navigation links (Events & Tickets, Find a Swim Team & Lessons, Swim Shop, Welcome Swim, Settings, Logout), and a main menu (Members, Education, Competition, Help). Below the header, a circular badge on the left says 'SP' and 'Swim Parent' next to it. The main content area has two sections: 'My Family' (which includes a sub-section for 'Athlete' with 'Member ID' and a 'VIEW' button) and 'My Account' (with tabs for General Info, Contacts, Photos, and Groups). A large red arrow points from the text in the previous step to the 'RENEW MEMBERSHIPS' button in the 'My Family' section.

STEP 2a: If the swimmer is not attached to the Parent Account, add them by clicking on the “add individual” icon located in the upper right corner of the my family section. You can only add a Family Member if the parent is listed in the athlete's contacts. If you are not listed as a contact for your athlete and cannot add your child, please contact your [LSC Registration Chair](#).

STEP 3: Click the "Renew Memberships" button. A pop-up window will display a table with all members eligible for renewal. If a member is eligible for multiple renewals (e.g., Athlete, Official, Coach, etc.), each renewal option will have its own line in the table. You may choose to renew more than one membership per member, if applicable.

STEP 4: Click the checkbox in the "Select" column for each of the memberships you want to renew.

NOTE: A "Change Member Type" button in the "Select" column indicates that the membership can be renewed as a different member type. An example of this would be renewing a Flex membership to a Premium membership. To change the renewal membership to a different member type, click the "Change Member Type" button, select the member type you'd like to renew from the dropdown, and click "Save."
